Table of Contents

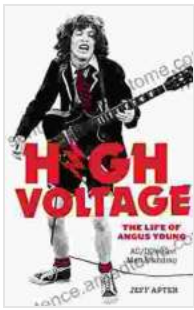

Angus Young, the iconic guitarist and co-founder of AC/DC, has been a force to be reckoned with in the rock and roll world for over five decades. His signature schoolboy uniform, energetic stage presence, and electrifying guitar solos have made him one of the most recognizable and influential musicians of all time. This comprehensive biography, "The Life of Angus Young: Last Man Standing," delves into the life and career of this legendary artist, shedding light on his early influences, the formation of AC/DC, their rise to fame, and his lasting impact on the music industry.

Early Life and Influences

Angus McKinnon Young was born on March 31, 1955, in Glasgow, Scotland. As a young boy, he was surrounded by music, with his father being a singer in a local choir. At the age of five, his family emigrated to Sydney, Australia, where his love for rock and roll took root. Young was particularly influenced by bands like The Beatles, Chuck Berry, and Led Zeppelin, which fostered his desire to play guitar.

The Formation of AC/DC

In 1973, Angus teamed up with his older brother Malcolm to form AC/DC. The band's initial lineup included bassist Larry Van Kriedt, drummer Colin Burgess, and lead vocalist Dave Evans. However, it wasn't until 1974, with the addition of drummer Phil Rudd and lead vocalist Bon Scott, that the classic AC/DC lineup was solidified.
