

Baxter Turns Down His Buzz: A Must-Read for Families

In today's world, it's more important than ever to teach our kids about the dangers of excessive screen time. Baxter Turns Down His Buzz is a heartwarming and educational children's book that does just that.

Baxter Turns Down His Buzz: A Story for Little Kids About ADHD

by James M. Foley

★★★★☆ 4.7 out of 5

Baxter is a lovable dog who loves to play video games and watch TV. But when he starts to spend too much time on his devices, he starts to notice some negative consequences. He becomes irritable, has trouble sleeping, and starts to lose interest in his other activities.

Baxter's parents are worried about him, so they decide to help him cut back on his screen time. At first, Baxter is resistant. He loves his devices and doesn't want to give them up. But with the help of his parents and friends, Baxter learns to put down his devices and enjoy the real world.

Baxter Turns Down His Buzz is a fun and engaging story that will help your kids understand the importance of limiting screen time. It's a must-read for families who want to raise healthy, well-rounded children.

What Parents Are Saying

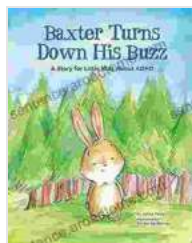

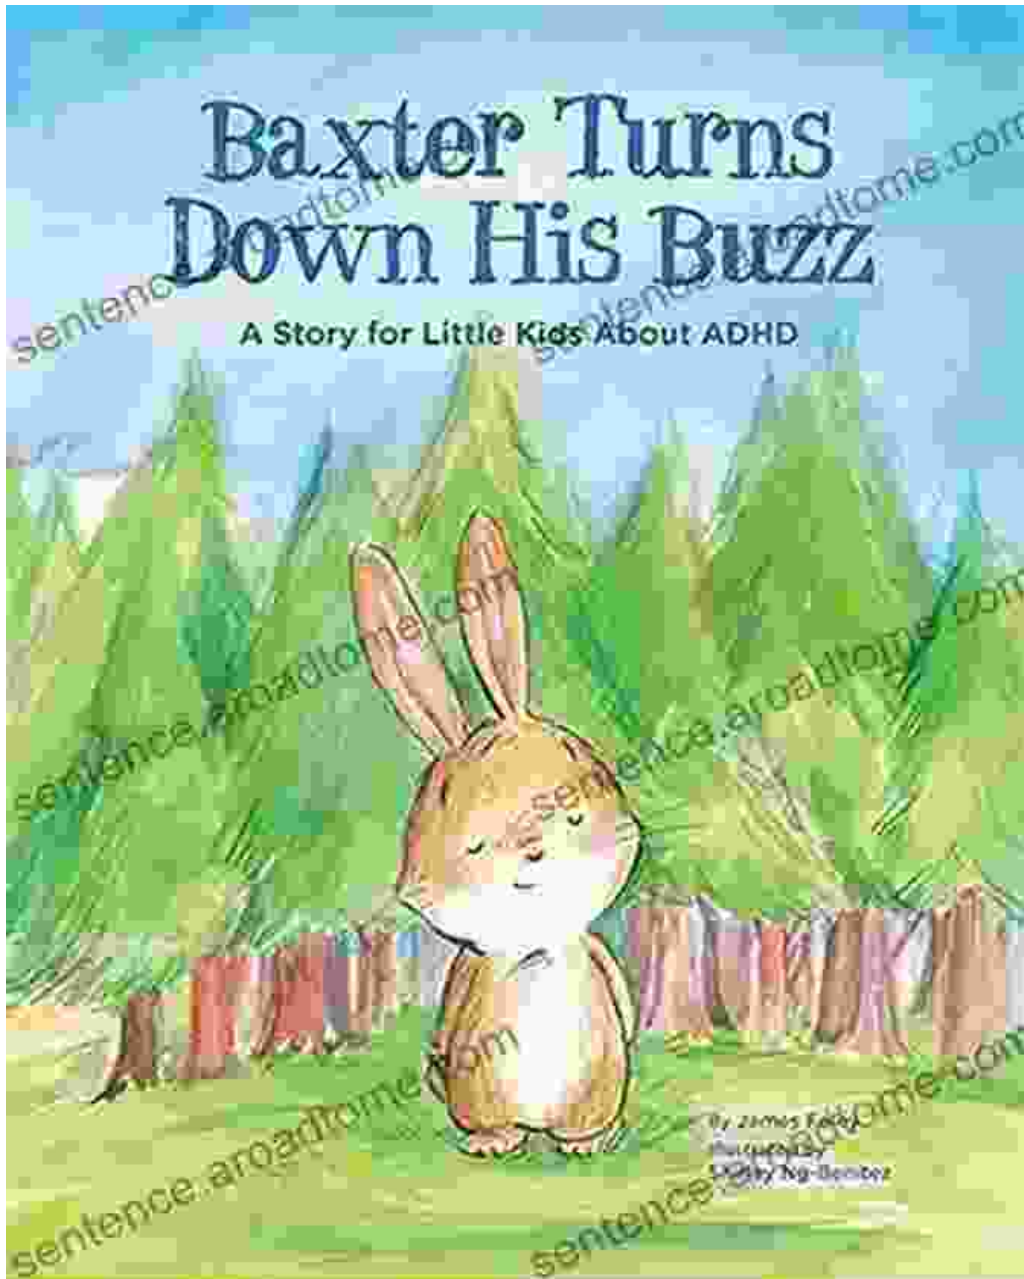

“ "Baxter Turns Down His Buzz is a great book for kids of all ages. It's a fun and engaging story that teaches kids about the dangers of excessive screen time. My kids loved it!" ”

“ "I'm so glad I found Baxter Turns Down His Buzz. It's a great way to start a conversation with my kids about screen time. I highly recommend this book to all parents." ”
