## About the Book

In **Dispatches From The War On Terror**, award-winning journalist **Andrew Cockburn** takes readers on a gripping journey through the front lines of the global fight against terrorism. Drawing on his extensive experience covering conflicts around the world, Cockburn provides a clear-

eyed and unflinching look at the complex and often contradictory realities of this ongoing struggle.

From the streets of Baghdad to the mountains of Afghanistan, Cockburn chronicles the rise of Al-Qaeda and ISIS, the impact of the U.S.-led invasions of Iraq and Afghanistan, and the ongoing challenges of countering terrorism while protecting civil liberties.

Along the way, he interviews key players in the conflict, including military commanders, intelligence officials, and policymakers. Cockburn also provides in-depth profiles of some of the most notorious terrorists, such as Abu Musab al-Zarqawi and Anwar al-Awlaki.

**Dispatches From The War On Terror** is a must-read for anyone who wants to understand the complexities of the global fight against terrorism. Cockburn's incisive analysis and firsthand reporting offer a unique and invaluable perspective on this critical issue.

## **Reviews**

"Andrew Cockburn is one of the most respected journalists of our time. His reporting on the war on terror is essential reading for anyone who wants to understand the complexities of this conflict." - Seymour Hersh

"Dispatches From The War On Terror is a powerful and disturbing book that should be read by every American. Cockburn's reporting is fearless and his analysis is incisive. This book is a must-read for anyone who cares about the future of our country." - Chris Hedges

## **About the Author**

**Andrew Cockburn** is an award-winning journalist and author who has covered conflicts around the world for more than four decades. He is a contributing editor to **Harper's Magazine** and a former Washington bureau chief for **The Independent** (London). Cockburn is the author of numerous books, including **The Threat: Inside the Soviet Military Machine**, **Dangerous Liaisons: The Unholy Alliance Between Intelligence and Crime**, and **Kill Chain: The Rise of the High-Tech Assassins**.
