This year's Iwoca will feature a wide range of sessions on the most current topics in organizational communication, including:

- The role of communication in organizational change and transformation

- The use of social media and other digital technologies in organizational communication
- The impact of globalization on organizational communication
- The ethics of organizational communication
- The future of organizational communication

Iwoca 2024 will also offer a variety of networking opportunities for attendees to connect with other scholars and practitioners in the field. These opportunities include:

- Welcome reception
- Conference dinner
- Poster sessions
- Workshops
- Roundtable discussions

If you are interested in the latest research and developments in organizational communication, then Iwoca 2024 is the perfect event for you. Register today to secure your spot!
