Join James May on an extraordinary adventure as he travels the globe in his custom-built electric car.

Prepare to embark on an unforgettable journey alongside James May as he sets out to explore the world in his custom-built electric car. From the remote landscapes of the Arctic to the bustling cities of Asia, May's travels take him to some of the most fascinating and visually stunning destinations on Earth.

In 'On The Road With James May', you'll experience the world through the eyes of May himself, a renowned presenter, engineer, and car enthusiast. With his trademark wit and curiosity, May shares his insights on the cultures, histories, and landscapes he encounters along the way.

The book is a testament to the power of travel and the transformative experiences it can bring. Whether you're an avid traveler, a lover of cars, or simply someone who enjoys a good adventure story, 'On The Road With James May' is a must-read that will captivate and inspire.

Highlights of the book include:

- Detailed descriptions of May's custom-built electric car, the 'Polar Bear'.
- Stunning photography that captures the beauty and diversity of the destinations visited.
- May's humorous and informative commentary on the places and people he meets.
- Insights into the challenges and rewards of long-distance travel.

- A behind-the-scenes look at the making of the popular television series.
