One of the best ways to prepare your child for school is to read to them about the experience. Books can help children to understand what to expect on their first day of school and can help them to feel more confident and excited about starting school.

"Abc School for Me" by Susan Katz is a delightful book that introduces children to the alphabet, numbers, shapes, and colors in a fun and interactive way. The book follows a group of children as they go to school for the first time. The children learn about the different things they will do in school, such as singing songs, playing games, and making new friends.

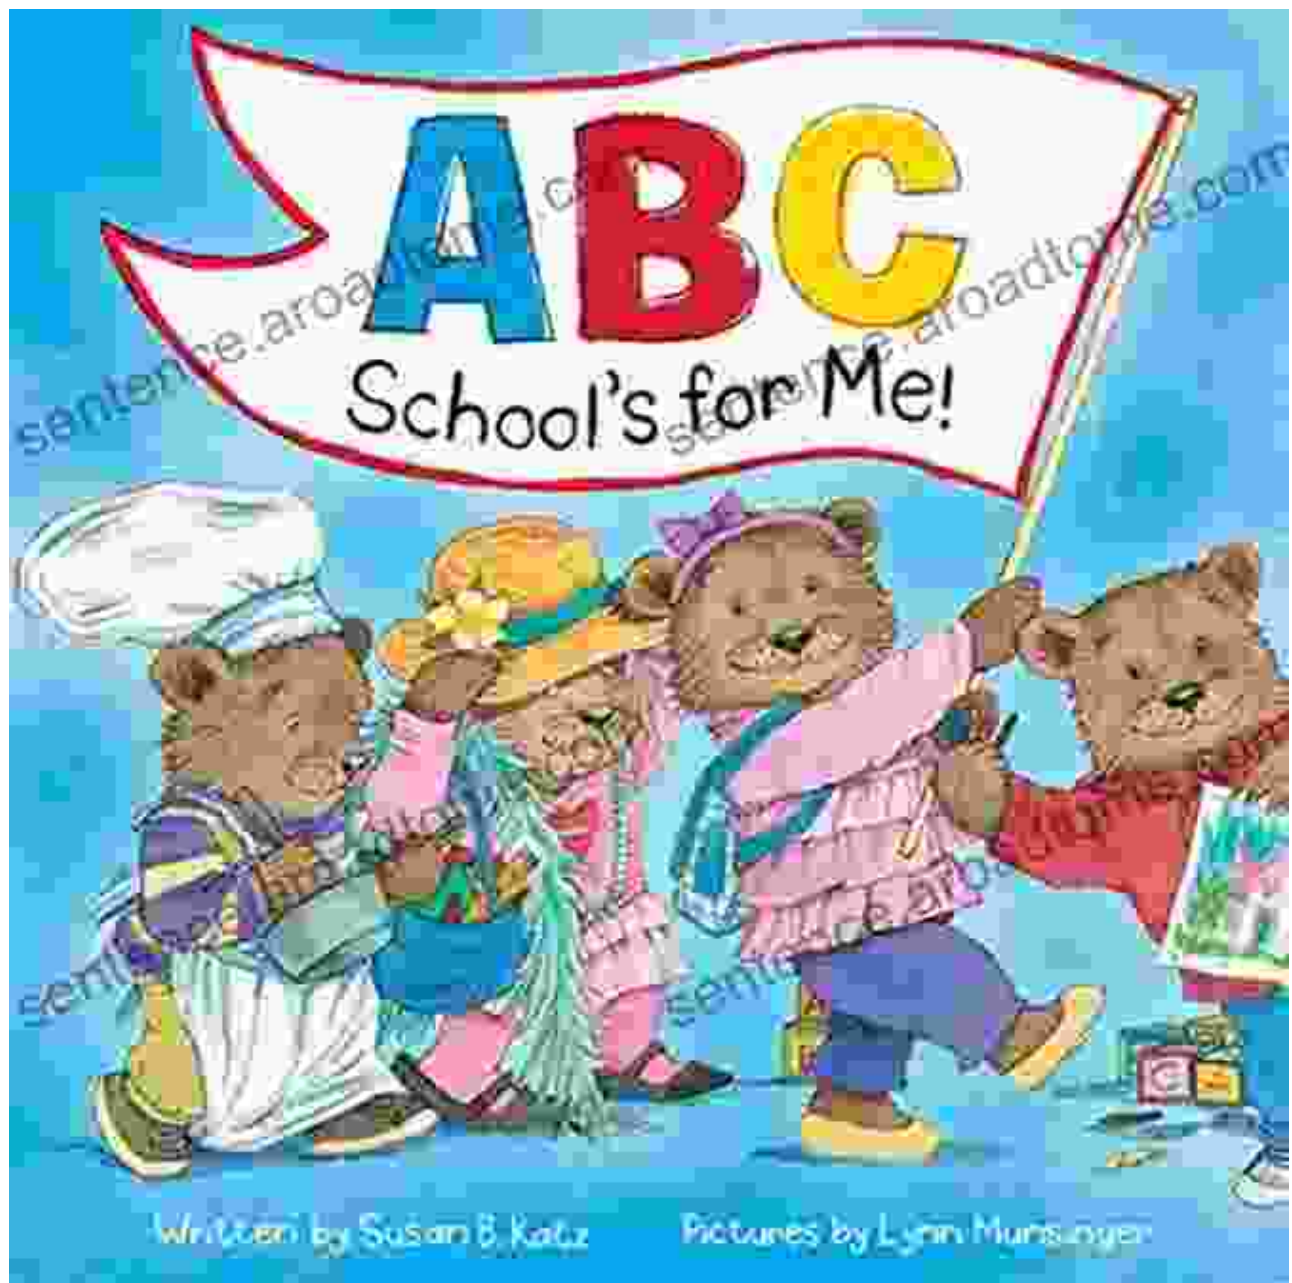

The illustrations in "Abc School for Me" are bright and cheerful, and the text is simple and easy to understand. The book is perfect for preschoolers and

kindergarteners who are getting ready to start school. It's also a great book for parents to read to their children to help them get excited about the first day of school.

Here are some of the things that "Abc School for Me" can teach your child:

- The alphabet
- Numbers
- Shapes
- Colors
- What to expect on the first day of school
- How to make new friends
- How to be a good student

"Abc School for Me" is a valuable resource for parents and children alike. It's a fun and educational book that can help to prepare your child for the transition to school. Free Download your copy today!
