

The Complete Story of the Misfits

The Early Years: 1977-1983

The Misfits were formed in Lodi, New Jersey, in 1977, by vocalist Glenn Danzig, guitarist Doyle Wolfgang von Frankenstein, and bassist Jerry Only. The band's early sound was heavily influenced by horror films and punk rock, and their lyrics were often dark and macabre. The Misfits quickly gained a following in the New York City area, and they released their debut album, *Walk Among Us*, in 1982. The album was a critical and commercial success, and it helped to establish the Misfits as one of the leading bands in the horror punk genre.

The Middle Years: 1983-1995

In 1983, Danzig left the Misfits to form the band Samhain. Doyle and Only continued on with the band, and they released several more albums throughout the 1980s and 1990s. The Misfits' sound evolved during this period, and they began to incorporate more elements of heavy metal into their music. The band also toured extensively, and they built up a large following of fans around the world.

The Later Years: 1995-Present

In 1995, Danzig reunited with the Misfits for a one-off reunion show. The show was a huge success, and it led to the band reforming on a permanent basis. The Misfits have continued to release new music and tour regularly, and they remain one of the most popular punk rock bands in the world.

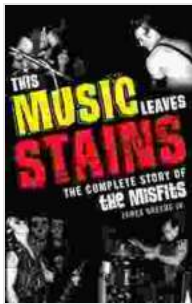

The Misfits' Legacy

The Misfits are one of the most influential punk rock bands of all time. Their music has helped to shape the sound of hardcore punk, and they have inspired countless other bands. The Misfits are also known for their unique style, which includes their signature black and white makeup and their horror-themed lyrics. The band has been featured in numerous films and television shows, and their music has been used in a variety of commercials and video games.

The Complete Story of the Misfits

This book tells the complete story of the Misfits, from their early days as a horror-punk band to their later years as a more mainstream rock band. The book is packed with rare photos, interviews, and behind-the-scenes stories, and it is the definitive account of one of the most iconic bands in rock history.

If you are a fan of the Misfits, or if you are interested in the history of punk rock, then this book is a must-read. It is a comprehensive and well-written account of one of the most influential and important bands in rock history.
