By John Meacham

The Roosevelts are one of the most prominent families in American history. Three of its members—Theodore, Franklin, and Eleanor—served as presidents of the United States, and each left an indelible mark on the nation.

Theodore Roosevelt was a larger-than-life figure who was known for his energy, optimism, and love of adventure. He was a leading advocate for conservation and the Progressive Era, and he helped to shape the United States into a modern superpower.

Franklin Roosevelt was a brilliant politician who led the country through the Great Depression and World War II. He was a master of the art of compromise, and he was able to unite the country behind him during some of its darkest days.

Eleanor Roosevelt was a tireless advocate for social justice. She worked to improve the lives of women, children, and the poor, and she was a leading voice for the United Nations.

The Three Roosevelts is a captivating journey through the lives and legacies of these three remarkable individuals. John Meacham's masterful storytelling brings the Roosevelts to life, and he shows how their leadership helped to shape the course of American history.

Reviews

"A masterful work of history that is both deeply informative and highly readable. Meacham's portraits of the three Roosevelts are vivid and insightful, and he shows how their leadership helped to shape the course of American history." — **The New York Times**

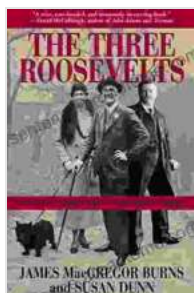

"A fascinating look at three of the most important figures in American history. Meacham's writing is clear and engaging, and he provides a wealth of new insights into the Roosevelts' lives and legacies." — **The Washington Post**

"A must-read for anyone interested in American history. Meacham's book is a masterful work of scholarship that is also a pleasure to read." — **The Wall Street Journal**
