Written by industry professionals with decades of experience, this book covers all aspects of the craft, from basic principles to advanced techniques. You'll learn how to create realistic makeup effects, design and style hair, and create costumes that perfectly complement the characters and the story.

With hundreds of inspiring images and step-by-step instructions, this book is the perfect resource for aspiring and experienced makeup, hair, and

costume designers alike.

What's Inside?

- **Makeup:** Learn the basics of makeup application, color theory, and special effects makeup. You'll also find tips on how to create a variety of makeup looks, from natural to glamorous to avant-garde.
- **Hair:** Discover the secrets of hair styling for film and television. You'll learn how to create period hairstyles, modern cuts, and special effects hairpieces. You'll also find tips on how to work with different hair types and textures.
- **Costume:** Learn the basics of costume design, from conceptualization to construction. You'll also find tips on how to create costumes for different genres, periods, and characters.

Who is this book for?

This book is perfect for:

- Aspiring makeup, hair, and costume designers
- Experienced professionals looking to refine their skills
- Actors, directors, and producers who want to learn more about the art of makeup, hair, and costume design
- Anyone who is passionate about creating beautiful and transformative looks for film and television
