My Baby Can Read Couplets is a book that teaches babies to read using couplets, which are a type of poetry that has two lines that rhyme. The book provides a fun and easy way to introduce your baby to the world of reading, and it can help them to develop their language and literacy skills.

The book is written by Dr. Sally Ward, a leading expert in early childhood education. Dr. Ward has spent years researching the best ways to teach babies to read, and she has developed a method that is both effective and enjoyable.

My Baby Can Read Couplets is a great book for parents who want to give their babies a head start on reading. The book is full of fun and engaging activities that will help your baby to learn to read quickly and easily.

## **How My Baby Can Read Couplets Works**

My Baby Can Read Couplets is a simple and easy-to-follow program that can be used to teach your baby to read in just a few minutes a day. The program consists of three steps:

1. Sing the couplets to your baby
2. Point to the words as you sing
3. Have your baby repeat the words

You can start singing the couplets to your baby as early as birth. As your baby gets older, you can start pointing to the words as you sing. Once your baby is able to speak, you can have them repeat the words after you.

The couplets in My Baby Can Read Couplets are designed to be catchy and memorable. They are also full of repetition, which helps babies to learn new words and concepts quickly.
