Weddiculous is the unfiltered guide to wedding planning that you didn't know you needed. Written by a bride who has been through the trenches, this book is full of hilarious and honest advice on everything from choosing a venue to dealing with difficult family members.

With Weddiculous, you'll learn how to:

- Set a budget and stick to it (even when your mother-in-law is trying to guilt you into buying a \$10,000 dress)
- Find the perfect venue that won't break the bank (or your sanity)
- Choose a wedding party that won't drive you crazy (or quit on you at the last minute)
- Plan a ceremony that is meaningful and personal to you (even if your officiant is your uncle who is a self-proclaimed "comedian")
- Throw a reception that your guests will never forget (even if the DJ plays "YMCA" one too many times)

Weddiculous is the essential guide for any bride who wants to survive the wedding planning process with her sanity intact. So what are you waiting for? Free Download your copy today!
